**Real Estate Investors Now Have Advisors On Their Side**  
*Laurex Announces Two Advising Units to Ease Real Estate Investing*

**PLANO, TX – September 26, 2005** – Real estate continues to be a popular investment and Laurex Group, Inc. is providing services to allow individuals to reap the benefits of real estate investing.

Laurex announces the opening of two new divisions aimed at simplifying real estate investing. Laurex Realty Advisors provides a wide range of real estate investing support while Laurex Lending Advisors provides financing for real estate investments.

For the individual investor, finding the perfect realtor experienced in investment property is a key factor during the investment process. Laurex Realty Advisors offers trained and experienced real estate investment advisors that are licensed realtors and can provide the knowledge and insights that will help any investors make the right decision.

In any real estate purchase, the financing is also a critical component. Laurex Lending Advisors offers skilled and knowledgeable lending investment advisors that are licensed loan officers and can identify the perfect lending institution with the right finance package to bring the best profitability for the investor.

“The primary focus of these two divisions is the profitability of the investor, said Alex Johnson, president and founder of Laurex Group, Inc. “All the transactions and details are handled and managed by professionals. We offer something that no other firm can claim and specialize in the average investor that may not have the contacts needed to invest in real estate.”

Laurex provides a free ‘Strategies & Tips’ e-newsletter to educate people about real estate investing or other investments. The e-newsletter can be obtained at [LaurexNewsletter.com](http://LaurexNewsletter.com). Laurex also publishes a ‘Hot Deals’ list of pre-screened real estate investments in Texas. The Hot Deals sheet can be obtained at [LaurexHotDeals.com](http://LaurexHotDeals.com).

Laurex Group, Inc. is a service company that provides offerings to support the investor of real estate. Laurex pioneered the Investment Coaching concept and has been operating in Plano, Texas since 2002. For more information, visit [www.TeamInvesting.net](http://www.TeamInvesting.net).
